

Declaration of World Party

Official Declaration of Party

**Whereas The true way of evolved humans is Humane,
And Humans are aware and know Life is interdependent
and we rely on each other,**

**and Whereas: the finest human qualities are having a good time,
co-operation, discovery, and innovation
creativity, playfulness, care for progeny, and
exchanging what we make for mutual survival,**

**We hereby officially declare It makes sense to do so and
It is illogical and destructive to do otherwise.**

**Therefore daily comfort, enjoyment, peace of mind
and fun are recognized as fundamental rights;**

**Whereas, fighting is only a worthy endeavor
against real foes, and the only real foes of humanity are
ignorance; limitation; poverty; disease; greed;**

**and Whereas: All Humanity is on the same side against these foes
Therefore, We as citizens of the Earth and the Cosmos,
declare Party!**

**Whereas: We do not recognize agendas of the
few vested interests that divide us and make life miserable
as *the way it has to be* and We refuse substitutes for Life,**

**And whereas we recognize That a Leader, by definition, supports
what enhances and supports the people and our planet's ecosphere,**

We call upon our leaders to lead us into Party!

**World Party Day is declared!
April 3 is P-Day: Party Day.**

**We will party around the world, Whether quiet or formal events,
whether personal or public, we vow to turn up the music and pass the food!**

**Victory will be ours as we practice this day and eventually all days with
good manners, our best on and unique talents with well-being and fun.**

**Whereas: We are intelligent life in co-operation with itself
toward ever improving well-being for all**

We recognize Party pooping is only Sickness and is quarantined until it can party!

We declare our right to fun, happiness, and productive creativity!

**We hereby recognize The opposite of War is Party, and vow to wage party,
and celebrate the diversities everyone brings to the party of Life!**

**Now Therefore, we unite in a Call to Loving Arms Around the world
In this Declaration of Party.**

**Declare World Party Day!
Mark your calendars: April 3 World Party Day.**

Turn up the music and pass the food.

-United Citizens of EARTH
